# Director's Message

**Mr. Akash Srivastva**  
Founder

**Mr. Akash Kumar**  
M. Director

**AKASH INSTITUTE** created in 2021 by the vision and toll of we both. We had a very humble beginning as a Premier Institute for scoring great marks in board exams with a vision to provide an ideal launch pad for serious students of bettiah. Along the way to the realisation of the vision, we went beyond merely coaching for NC to XII. We actually started to make a difference in the way Students think and approach problems. We started to develop way to enhance Students IQ. We started to leave an indelible mark on the Students who have undergone mentally training. We started changing lives. And all of this was not a sheer coincidence. It was the urge, the compelling desire, to always aspire for perfection and in the process, continuously keep on setting newer benchmarks of excellence which enabled us and our Students to achieve what we have achieved. Today, aiming for the unachievable and continuously raising the bar has become a part of the **AKASH INSTITUTE**. The success of our Students was inspiring and so was their faith in AKASH INSTITUTE. Now we have come-up with our extraordinary faculty for students aspiring to become topper and we promise to deliver same quality education and results years to come.

बच्चे ही देश के भविष्य हैं, और इनके सर्वांगीण विकास के लिए “आकाश इंस्टिट्यूट” के द्वारा किया जाने वाला एक-एक कार्य काफी प्रशंसनीय है। सर्वांगीण विकास की अवधारणा के साथ-साथ बेहतर परिणाम से समाज में एक नई तरह की जागृति आएगी, सकारात्मकता बढ़ेगी और गरीब तथा वंचित लोग भी शिक्षा के सही मायनों को समझ सकेंगे।

आधुनिक समय बहुत ही कठिन प्रतिस्पर्धा से भरा हुआ है और इसमें केवल वही सफल हो सकता है जिसने खुद को उस लायक तैयार किया हो और आकाश इंस्टिट्यूट के निदेशक बधाई के पात्र हैं, क्योंकि इन्होंने छोटे बच्चों के पढ़ाई से लेकर बड़े बच्चों के सफलता के सपनों को पूरा करने का एक प्रतिस्पर्धात्मक माहौल तैयार किया है। जो कि अभिभावकों और बच्चों के सपनों को पूरा करने में बहुत ही सहायक होगी।

All teachers are very dedicated to the Institutions and to the children. Their support is really appreciative.

Taking extra care for "Non- High Achiever" students. Because some similar schools pay attention only to "High Achiever" students, so that their coaching get better recognition in the market. But your coaching takes care of all the students.
